With this form, I/we authorize Euroclear Finland Oy (“Euroclear”), the advance voting service provider for Marimekko Corporation (the “Company”) Annual General Meeting 2023, to register my/our votes with the shares I/we own/represent in certain items of agenda of Marimekko Corporation’s Annual General Meeting 2023. With this form you can also register for the Annual General Meeting 2023 of Marimekko Corporation.

I/we understand that voting in advance by submitting this form requires that the shareholder has at least one valid Finnish book-entry account. The number of advance votes is confirmed on the Finnish record date of the Annual General Meeting, 30 March 2023, based on the holding in the book-entry account.

The personal information provided on this form is used to identify a shareholder through a comparison to information in the book-entry system, as well as to confirm shareholdings on the record date of the Annual General Meeting. Voting instructions:

I/we authorize Euroclear Finland Oy to register my/our votes with the shares I/we own/represent in each of the items of the agenda of the Meeting as indicated with a cross (X) below.

If no voting instructions have been indicated below, or if there are more than one voting instructions on the same item, or if other text or markings other than a cross (X) have been used to indicate a voting instruction, the item will be marked as “No action” when Euroclear registers the votes. This and a situation where a shareholder has voted “Against/No” on an agenda item that requires a counterproposal means that

shareholder's shares are not taken into consideration in the item in question. Shareholder's shares are not considered as shares represented at the meeting and the votes are not counted as cast votes with regard to the item in question.

I/we understand that if I/we give advance votes as a representative of an entity (incl. estate), the legal representative of the entity or a person authorized by the entity must provide necessary documents to prove the right to represent the entity (e.g., trade register extract or board resolution). Documents are requested to be attached to this advance voting form. If the documents are not submitted during the advance voting period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the Annual General Meeting.

It is recommended that a Finnish book-entry account holder votes in advance electronically in the address [advance voting](#). In a situation where the Finnish book-entry account holder has voted in advance both electronically and via this advance voting form, Euroclear will register the most recent voting instruction in the book-entry account.

Matters to be resolved at the Marimekko Corporation’s Annual General Meeting 2023

Agenda items 7 to 18 cover proposals of the Board of Directors and shareholders of Marimekko Corporation to the Annual General Meeting in accordance with the notice of the Annual General Meeting. By voting in advance it is not possible to submit a counterproposal to the Annual General Meeting or demand a voting. **“Abstain from voting”** means giving an empty vote and shares are considered to be represented in the meeting, which is meaningful in resolutions requiring qualified majority (e.g., agenda items 16 to 18). In qualified majority items all shares represented at the Meeting are taken into account and abstentions thus have the same effect as votes **“Against/No”**. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.
